

### Clarification to Earnings Call Comments

In our Q2 earnings call on August 2, 2023, we referenced our plan to transition to a new cobranded credit card partner – VISA. Any references to Mastercard in the Q2 earnings call are hereby retracted. Such references included, but are not limited to, Costco’s acceptance of Mastercard. Mastercard has advised Allegiant that its Mastercard debit cards are accepted in store at Costco and its Mastercard credit and debit cards are accepted online at Costco.
